Items collected:

Gloves, cleats, bats, helmets, pants and catcher's gear.

Highland Park Baseball Association and Friends of Dornwood will fill requests on a first come, first serve basis. We will do our best to provide needed equipment, however, we may not always have everything on hand. Highland Park Baseball and Friends of Dornwood collect items for players to use during the season. When the season is over, please return the items used so that someone else may use them for next season.

Donations are graciously accepted and are essential to the success of the program. Please consider giving a small donation towards the program.
