TBSA Administrative Policies

Article 1: Description of the Association

1. The Topeka Baseball and Softball Association, Inc., has provided an amateur youth baseball program in the Topeka community since 1941. The Association originally operated under the sponsorship of the Highland Park Booster Club. When the Booster Club dissolved years ago, the Highland Park Baseball League continued to exist under the leadership of volunteers from the Highland Park community. These volunteers formed a nonprofit corporation in 1980 to operate the program. The corporation is named Highland Park Baseball Association, Inc. (HPBA). In 2014 Highland Park Baseball Association changed its league name to Topeka Baseball and Softball Association Inc. (TBSA) and is governed by one board and is currently in partnership with Shawnee County Parks and Recreation (SCPR) to provide the youth a positive sports environment.

2. Similarly, the Highland Park Girls Softball League was formed in 1977. The name of this organization was later changed to Dornwood Girls Softball Association, Inc. (DGSA), and was managed by a separate board of directors. In 2014 Dornwood Girls Softball Association changed its league name to Topeka Baseball and Softball Association Inc. (TBSA) and is governed by one board. The TBSA programs are conducted on playing fields at Dornwood Park, 25th and Highland, and at other facilities in Topeka, Kansas.

Article 2: Membership in the Association

Article 3: Management of the Association

3. The TBSA officer or director on duty shall have exclusive authority to terminate games due to inclement weather or unforeseen circumstances. Umpires and team managers shall not have the authority to terminate games. Procedures for the postponement and rescheduling of games are provided in Articles 13 and 14 of these policies.

4. The officer or director on duty shall assist umpires in dealing with special problems that arise during game play. In no event shall an officer or director be called upon to evaluate or overrule an umpire's decision, or in any way preempt an umpire's authority to conduct games.

The athletic supervisor will appoint a three (3) member board who will hear all issues at hand and determine the outcome. Once the decision has been made, the player and coach/manager will both be notified. During this time, the player remains expelled from programs and facilities.

A lifetime suspended player/team may apply for reinstatement in the same matter as stated above. After a hearing is completed and if the board decides that the player/team is reinstated then it will occur at the start of the next season, but the player/team will remain on lifetime probation. Any further disciplinary action will result in the immediate revocation of eligibility and implementation of the lifetime suspension. No two (2) members suspended from the same team and on probation may play on the same team once reinstated to SCPR programs and facilities.

PROTEST

A protest must be handled in the following manner or they will not be accepted:

↳ The team making the protest must notify the official/umpire, scorekeeper and opposing manager at the time of the protestable call. Each of these persons must sign the official scorebook at this time.

↳ Within 24 hours a \$25.00 protest fee must be presented to TBSA office with a written account of the protestable call. If the protest is upheld, the protest fee will be returned, and the game replayed from the point of the protest if possible.

↳ Note: For Friday games, the deadline for filing is 1:00 P.M. of the Monday following the protest. If the protest is denied, the \$25.00 will be retained and the game becomes official.

↳ **SITE SUPERVISORS, SCOREKEEPERS, OFFICIALS/UMPIRES OR CONCESSION WORKERS WILL NOT ACCEPT PROTEST FEES.**

OTHER DISCIPLINE PROCEDURES AND DEFINITIONS

League Suspension- a player/team is suspended from further participation for remainder of the scheduled league play in that sport season.

Lifetime Suspension- a person/player/team is suspended from participation in all county leagues or sponsored leagues for a period of not less than two (2) years from the conclusion of their suspension. After the two (2) year period, they may apply for reinstatement. A letter must be filed with the Athletic Supervisor requesting their status be evaluated. The Athletic Supervisor will appoint a three (3) member Reinstatement Board to review the request and vote on reinstatement. If an individual is reinstated to participate, he/she will remain on lifetime probation and any further problems with that individual will result in the immediate revocation of eligibility and the implementation of the lifetime suspension penalty. No two (2) members from a team that was issued a lifetime suspension will be permitted to play on the same team once reinstated to county leagues.

BLOOD RULE

If at any time an official/umpire ceases play because of blood on the uniform, body, or facility, the person involved should seek immediate attention. The area should be clean prior to resuming play by staff and/or officials. Once the bleeding stops or a change of uniform is provided the participant may resume play. There is no penalty for alternate colored uniform or lack of a number in this case. It is the official's discretion if the game is delayed so as to ask the player to leave the game and provide any substitute. Regular re-entry may occur, and a team may play short-handed if necessary in the short term. We recommend coaches carry a first aid kit.
